The Retractable Roof For Outsiders 2022

# A Revolution in Design, Construction & Installation of Outdoor Rooms

“We have doubled the capacity of the business and the  
standout design is attracting lots of new customers...  
Business has never been better ”

Testimonial, Ben Browne, Pitch Bar Owner

MOCKA | CARDIFF

ULLSWATER HEIGHTS | PENRITH

1 TOWN HALL SQUARE | COWBRIDGE

Curved fabric supporting profiles drives lateral water run-off for integration into existing guttering.

## Patented Roof Engineering Offers Total Rain Protection... Even on Flat Frames.

A durable tensile architectural fabric canvas supported on curved aluminium tubes. Connected to aluminium extrusion runners. Open and closed by a tubular motor.

Ashelta is the only flat retractable roof that can be added to steel or wood frames.

With sizes of 45m<sup>2</sup> possible with just two runners, it is the ultimate roof for outdoor rooms or extensions.

Forget the limitations of soft aluminium structures. Get a tough construction grade steel or wood frame and integrate an Ashelta Retractable Roof.

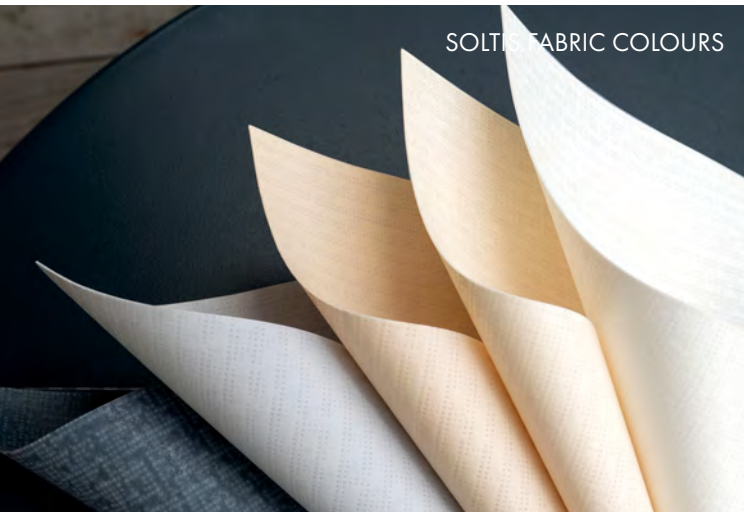

All Weather  
All Seasons  
All Occasions

"The roof is of the highest quality, easy to install, service and maintain. The Ashelta team were a great help in supporting us across all project phases"

Testimonial, Steve Mahoney, Mahoney Contracts

EACH ASHELTA ROOF INCLUDES

- ✓ Choice of colours for aluminium, fabric and plastic components
- ✓ Delivery to mainland UK
- ✓ Choice of 3 fabric types
- ✓ Comprehensive 5 year warranty
- ✓ Tubular Motor
- ✓ Remote Control

Utilise internal resources, existing contractors or an Ashelta partner to manage the end to end project lifecycle; design, frame construction, installation and maintenance.

With transparent pricing for all products, the Ashelta retractable roof is very cost effective per square meter coverage.

“We are delighted with our purchase... not only have we saved considerable money, we believe we have a much better solution for the short medium, and long term.”

Testimonial, Kirsty Payne, General Manager, Malt Shovel
